## Welcome to Sonseekers ...

Dear Parents

Welcome to Sonseekers, a Sunday School Program designed to give children a sound background in Biblical events, people and places. We trust that you, and your child, are blessed by participation in this program.

The curriculum has been produced by over 100 people who have voluntarily given of their time and talents to write, draw and create activities, as well as to edit, review and proof-read. We deeply appreciate the commitment and love shown by all who have contributed to this project. The benefit and blessing to children, as they learn about God's life and love, is a testimony to their faithfulness.

However, the real key to children knowing God as their Father lies with their families. As parents train their children in God's way, they begin to experience the reality of the Father's love for themselves.

The Sonseekers program is designed to support and encourage family life and order. The Student Handbook is a feature of the program, offering follow up activities and daily devotions, which you may wish to use in your own family devotions.

May God bless and guide you as you share the Lord's life with your child.

If you wish to know more about the Sonseekers program, please contact the publishers on the numbers listed.

Yours in Christ

## What are the Sonseekers materials?

The Sonseekers Sunday School materials are a four year course of 128 Bible lessons. The lessons are written with the twin aims of teaching the students an accurate chronology of Biblical events and also drawing from each lesson pastoral points relevant to the age and stage of each child. They are written at three levels to cover from Prep to Year 6 age groups. The 128 lessons are organised into 8 units, each of sixteen lessons. The table below indicates the suitable age group for each level:

Sonseekers Level	Student Age	School Level
Level One	5 - 6	Prep, Year 1
Level Two	7 - 10	Year 2, Year 3, Year 4
Level Three	11 - 12+	Year 5, Year 6

## What's in my Sonseekers

### Level Two Student Handbook?

Each Level Two Student Handbook contains sixteen homework activities and sixteen "My Own Page" sections, relevant for the age of your child.

Each homework activity page comprises:

- ◆ the title of the lesson;
- ◆ the Bible reference for each lesson;
- ◆ an activity related to some aspect of the lesson;
- ◆ the memory verse to be learnt from the lesson.

.../cont'd

# ♦ ♦ ♦ note to parents ♦ ♦ ♦

## **How do I help my child use the Student's Handbook?**

The following suggestions are then made with regard to using the book.

### **After each lesson**

- ♦ Make sure that your child learns the memory verse from the lesson.
- ♦ Have the child read the Bible passage for the lesson again or read it to him/her. The reference is provided in the header on the homework activity page. All Scripture references are taken from the New King James Version (1983 edition).
- ♦ Discuss the story with the child and ask them what they learnt from the story.
- ♦ Link the activity that the teacher used to the story so that the significance of the activity is clear to the students.
- ♦ Set regular times each week for the child to complete the homework activity and daily devotions.
- ♦ Give your child as much help and encouragement as they need to complete these tasks. This is an opportunity to fellowship in the word of God with your child!
- ♦ Ensure that your child brings the handbook to class so that the teacher can check the homework and mark the following week's memory verse.
- ♦ Encourage your child to read ahead for the next lesson.

**May God bless you and guide you as parents  
as you help your children in this way!**
